

In addition to the free features within [My Financial Health+ **basic**], you can upgrade to [My Financial Health+ **premium**] to unlock:

MY CREDIT MANAGER-

Credit monitoring and alerts from all 3 bureaus: Get alerts whenever there is a credit event such as a new account being opened or a hard credit inquiry. Additional alerts, such as balance changes, public records, address changes, delinquencies, and credit score changes are also available.

IDENTITY PROTECT-

- **Dark web Monitoring:** We scan the web for fraudulent use of your personal information including name, address, email and more
- **Social Security Number Monitoring:** Detect and prevent identity theft occurring outside of the credit bureaus' vision
- **Change of Address Alerts:** Detect and be alerted when there has been an unauthorized change of address
- **Identity Theft Insurance:** Up to \$1M of identity restoration and protection against identity theft
- **Identity Restoration:** Access hands-on assistance restoring compromised identity

PERSONAL INFO PROTECTION-

- **Removal of Personal Information from Data Broker Sites:** Leverage automated services to continuously remove their personal data from these sites
- **Ongoing Web Monitoring for Newly Exposed Private Information:** Continuously monitor Data Broker sites and get alerts when your personal information resurfaces

SUBSCRIPTION MANAGER-

Online Subscriptions Cancellation: With just a single button, cancel unused or low value subscriptions.

STUDENT LOAN AID-

Link all your student loan accounts in seconds, see suggested plans and perform actions that could help improve your financial outcome.

BUILD CREDIT RENT-

Seamlessly report your rent payments to a credit bureau for an easy way to help establish your credit score and build positive credit history.

RENT SMOOTHING-COMING SOON

DEBT NAVIGATOR-

Find all your debt accounts in seconds, receive automated guidance, and act on personalized strategies—all in one place. Pull 95% of all consumer debts without credentials using our proprietary linking approach.

MY HOME VALUE-

View your tappable home equity, instantly display how much you could borrow, receive accurate monthly valuations, homeowner education tips, and personalized data-driven loan offers.

All for \$8.99/month. For peace of mind? That's not too bad. Log in to check it out!
